In response to the Request for Additional Information dated October 18, 2012 referencing this Committees' AUGUST MONTHLY

REPORT, the Committee responds that some contributions received did not include occupation and employer identification (as indicated by None provided/none provided) despite the best efforts of this Committee to obtain such information. Such Contributions were made by check, and resulted from either (a) donors responding to various online solicitations and choosing not to contribute online via the website they are directed too where such information is a required field on the donation page, and instead send a check to the organizations mailing address without including the occupation and employer information and not responding to the follow-up mailing to all such contributors in excess in of \$200, and (b) responses to telephone solicitations where the identification information is requested during the solicitation itself but is not required as some donors choose not to provide such information over the phone, despite being asked, and despite the follow-up mailing fulfillment piece to those making pledges containing a conspicuous request for such information and a statement that it is necessary to comply with the best efforts requirements of the FEC. All occupation/employer information provided is entered into FEC File. Those contributors continuing to not provide such information will continue to be contacted, and amended reports filed as necessary.
